

ALDI

We have built multiple locations in Houston and surrounding area, we have done ground up and remodels for this fast-growing corporation.

Work Performed: Plumbing

BMW North Houston

We worked with the dealership in phases to complete this remodel for the face lift of this facility as well as the new car wash and state of the art Mechanic shop.

Work Performed: Plumbing

Carvana

This is a new ground up building that we did for the new car buying concept.

Work Performed: Plumbing

Katy Mills Mall

We built out a new bag and accessories store. With the help of a 300 ton crane, we were able to set the AC unit.

Work Performed: Plumbing, HVAC

Memorial Hermann Cypress

We worked with this facility and Contractor to install the new Wound Care Center, we installed a new Oxygen bulk tank needed to support the new Hyperbaric Chambers.

Work Performed: Plumbing, Med Gas

Memorial Hermann Woodlands

We have built out multiple floors for this medical facility, this facility was partially occupied so we work with and around doctors and patients to complete this project.

Work Performed: Plumbing, HVAC

Public Storage

We have built multiple locations in Houston and surrounding areas and performed service work for multiple locations.

Work Performed: Plumbing

Signature Care

We worked with the owner and contractor to gut this existing building and create a new medical care center.

Work Performed: Plumbing, HVAC, Med Gas
